

CSR to the Orphanage of The New Fajar Foundation

The time passed so quickly and it turned out that now it had arrived the end of 2019. CSR which was held on December 21st 2019 was greeted with joy by the children and this time, our CSR INPRASE GROUP brought swimming athletes and played together with children.

(Jakarta, Desember 21st 2019, The children playing games)

The togetherness of the children could be seen from every game, started with a simple guessing game, passing basketball and lastly, a dance rhythmic gymnastics. It looked like they worked well together and enjoyed all games. Even though they had played games and gymnastics, they were still full of enthusiasm, so awesome.
